Hi 4E and 4M

I hope you had a lovely Christmas.

I am sorry you have to stop at home again, but I hope you will be back at school soon.

I have included lots of lessons in the home learning on the school web site to keep you busy.

It would be lovely if you could photograph some of your work and send it to me at least once a week, especially if it is something you are proud of.

When working through the Maths Key Skills sheet (Maths Hammer), just do the questions you can. Remember we have only covered the Year 4 work for 1 term, so some of it you will not know how to do yet.

I also want you to e-mail me your scores in spelling, Grammar Hammer and Maths key skills (Math Hammer) each week.

year4@st-james.dudley.sch.uk

Remember to go onto Bug Club, Education City and Sumdog.

I will give extra points for answering questions on Sumdog and I will also open the shop more often.

Keep working hard

Miss Erry and Mrs Matthews
