

If your child is isolating this week and is well enough to work, the grid below gives you an overview of the schoolwork they will need to complete to ensure they don't miss any learning. Resources to accompany the lessons below can be emailed directly to you or printed for you to collect. To request resources, ring the main school office or email the year group.

You can contact the class teachers via email and send work in. Staff will check the year group email once a day.
